Dear Parents and Carers,

Coronavirus (COVID-19)

To keep the school community safe; it is critical that families adhere to the follow guidance.

Under **no** circumstance should you send your child to school:

- If your child is symptomatic
- If someone in your household is symptomatic
- If you have been in contact with someone who has tested positive for COVID-19

Remember that if **you, your child or anyone in your household** have symptoms of COVID-19 and are awaiting the results of a test, **do not** send your children into school. Children must remain at home until the results of the test have been given.

Before making the journey into school, you must stop and ask yourself these questions, do **you, your child or anyone in your household** have a new, continuous cough or a high temperature, or has a loss of, or change in, their normal sense of taste or smell (anosmia).

If you answer YES to any of the above, you must not come to school. You must call 111 for advice.

If you child becomes unwell during the school day they will be sent home and are advised to follow the guidance for households with possible or confirmed coronavirus (COVID-19) infection.

This sets out that they must:

- self-isolate for at least 10 days
- arrange to have a test to see if they have coronavirus (COVID-19)

Yours faithfully,

Mrs Obinwanne
Head of School
