RE: Year 6 Open Days and transition at Westminster Academy

Dear Headteacher,

I hope you and your colleagues had a restful break and are enjoying a successful (and hopefully more 'normal') start to the academic year.

As your Year 6 students and their families embark on the important decision-making process of their transfer to secondary education, I am writing to share details of Westminster Academy's forthcoming open events. I would be grateful if you could share this with your students and families, who are warmly invited to visit.

I would like to take this opportunity to inform you of further key dates for Year 6 students during the 2021-2022 academic year.

| | Summer School | 23rd - 26th August 2022 |

Following the experience of the past 18 months, our transition team may need to be flexible with our event format and dates if circumstances change, however I hope this will assist you with answering queries from families, and give you advance warning of the July induction date, when we will invite successful applicants to visit Westminster Academy for the entire day.

I appreciate the tremendous effort Primary School educators have been making during the pandemic to prepare children for secondary education and later life. Should there be anything Westminster Academy can do to support the transition process, please let us know.

Best wishes,
Paul
