Dear Parents / Carers,

At Leopold Primary School, we strive for ambitious, literate pupils who can problem solve; articulate themselves confidently and show resilience". We are proud to offer pupils opportunities to develop their leadership skills by offering them positions of responsibility. Each position of responsibility will be commensurate with pupils' ages to ensure they are successful and engender confidence in the pupils' own ability.

Leadership opportunities in school develop the art of building relationships within teams, defining identities, and achieving tasks effectively. It also provides an opportunity to learn to identify and display effective communication and interpersonal skills.

The positions available are detailed in the table below. Pupils will have the opportunity to formally apply for the position they wish and elections will take place, teaching the children about the British value of democracy before positions are awarded.

Please encourage your child to put their name forward for one (or more!) of the positions listed below. We are very much looking forward to reading their applications!

Should you have any questions, please do not hesitate to contact us!
