20<sup>th</sup> February 2023

Dear Parents and Carers,

We are excited to share Leopold's extra curricular clubs with you. To ensure that all children are able to attend an after school club, we are continuing to support the funding of the clubs with a £5000 donation on each Leopold site. This will give as many children as possible the chance to attend an after school club.

Please note the clubs are on a first come, first served basis as spaces are limited. Please return the form by to the **office**. We will text you to let you know if you have a place. Please don't make payment until your place has been confirmed.

When a place has been confirmed, please make payment on ParentPay by Friday 13<sup>th</sup> January. If you haven't paid by Friday 13<sup>th</sup> January, you will lose your place. If you have not registered on ParentPay please speak to the school office.

**Chess** - This will be taught by a chess master. Children will learn to develop their skills and play mini tournaments. Beginners welcome.

**Debate Mate** - Students will learn the art of debating and how to debate in a formal setting. The techniques are delivered through a series of fun and interactive exercises and games. Debating is shown to improve students' confidence, teamwork, leadership, aspiration and resilience. Children will get the chance to take part in two local competitions and a one-day competition, the Debate Mate Cup.

**Yoga** - An introduction to yoga poses, relaxation and meditation, through the use of storytelling.
