

Thursday 27th May 2021

Dear Parents and Carers,

We have come to the end of another successful half term. We would like to thank you for your support with the measures taken to ensure that our pupils' safety remained paramount.

During the break, we hope the children have an opportunity to relax, get outside and play games. We look forward to returning to school ready for an action-packed Summer 2 term from **Monday 7th June 2021**.

We would like to congratulate all our pupils who achieved 100% attendance this half term! This is a wonderful achievement!

It has been great to see the pupils in the colours of the St. Vincent flag (yellow, green and blue) today! All money raised will go to the St. Vincent appeal. Thank you for supporting the school to raise funds for yet another great cause!

Have a safe and relaxing half term break.

Coronavirus (COVID-19)

To keep the school community safe; it is critical that families adhere to the follow guidance.

Under **no** circumstance should you send your child to school:

- If your child is symptomatic
- If someone in your household is symptomatic
- If you have been in contact with someone who has tested positive for COVID-19

Remember that if **you, your child or anyone in your household** have symptoms of COVID-19 and are awaiting the results of a test, **do not** send your children into school. Children must remain at home until the results of the test have been given.

Before making the journey into school, you must stop and ask yourself these questions, do **you, your child or anyone in your household** have a new, continuous cough or a high temperature, or has a loss of, or change in, their normal sense of taste or smell (anosmia).

If you answer YES to any of the above, you must not come to school. You must call 111 for advice.

If your child becomes unwell during the school day they will be sent home and are advised to follow the guidance for households with possible or confirmed coronavirus (COVID-19) infection.

This sets out that they must:

- self-isolate for at least 10 days
- arrange to have a test to see if they have coronavirus (COVID-19)
